

Do you have research you want to showcase to your colleagues or classmates?

If so, we have the perfect opportunity!

March 23rd

11:30am – 2:30pm

Kiewit Auditorium

Please join us at the 5th annual Medical Education Research Day

Hosted by the Academy of Medical Education Scholars (AMES) and Curricular Affairs, this event is a forum for faculty, fellows, residents, staff, and students to share their scholarly medical education research work, expertise, and best practices at both the undergraduate and graduate levels.
