

Presenting Poll Everywhere Polls as a Survey

Karen Spear Ellinwood, PhD, JD
OMSE Faculty instructional development
Teaching with Technology Series
August 2014

The screenshot shows a web browser window with the URL <https://www.polleverywhere.com/my/polls>. The page has a dark blue navigation bar with tabs for 'Polls', 'Reports', 'Participants', and 'Settings'. Below this is a toolbar with a red 'Create Poll' button, a search bar, and buttons for 'Start', 'Stop', 'Group', 'Ungroup', 'Download Poll Slides', 'Report', 'Clear Results', 'Delete', and 'Edit Multiple'. A dropdown menu is open, showing 'My Polls' (highlighted with a red circle) and 'Account Polls'. The main content area displays a list of 17 polls under the heading 'Ungrouped (17)'. Each poll entry includes a poll icon, a checkbox, and the poll question. The poll questions are:

- What would you like to learn to do with PowerPoint?
- SOS Workshop #4 - Sign In Please!
- SOS Workshop #3 - Sign In Please
- What would you like to be able to do with Microsoft Office Visio?
- What would you like to be able to do with Microsoft Office Visio?
- SOS Workshop #5 Excel - Sign In Please!
- What would you like to learn about Microsoft Office Excel?
- SOS Workshop #6 - Adobe Pro - Sign In Please!
- SOS No. 7 - Sign in please!
- What did you think of SOS workshop No. 7 on Mail Chimp?
- Any other comments or suggestions re: Workshop #7 (Mail Chimp) or the SOS Series in general?
- I would participate in the SOS Series next year if it's offered!
- I would recommend that others participate in the SOS Series next year if it's offered!
- Select the issue that was most confusing to you.
- Identifv X in the imaae

- What did you think of SOS workshop No. 7 on Mail Chimp?
- Any other comments or suggestions re: Workshop #7 (Mail Chimp) or the SOS Series in general?
- I would participate in the SOS Series next year if it's offered!
- I would recommend that others participate in the SOS Series next year if it's offered!

Then in that same 'row' – click on Survey View.

SOS Polls

What did you think of SOS workshop No. 7 on Mail Chimp?

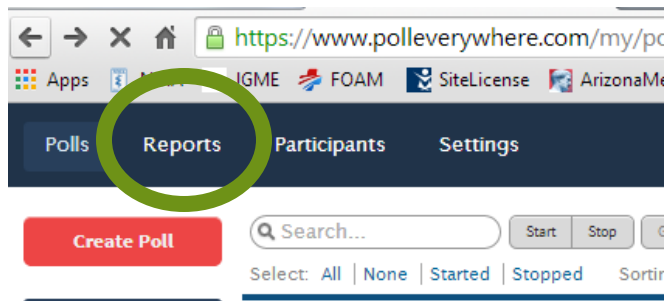

- This program was new to me, but now I think I know enough to practice using it.
- I used this program before, but learned how to use the program more effectively or efficiently.
- I used this program before, but did not learn anything new.
- I'm not sure yet.

Any other comments or suggestions re: Workshop #7 (Mail Chimp) or the SOS Series in general?

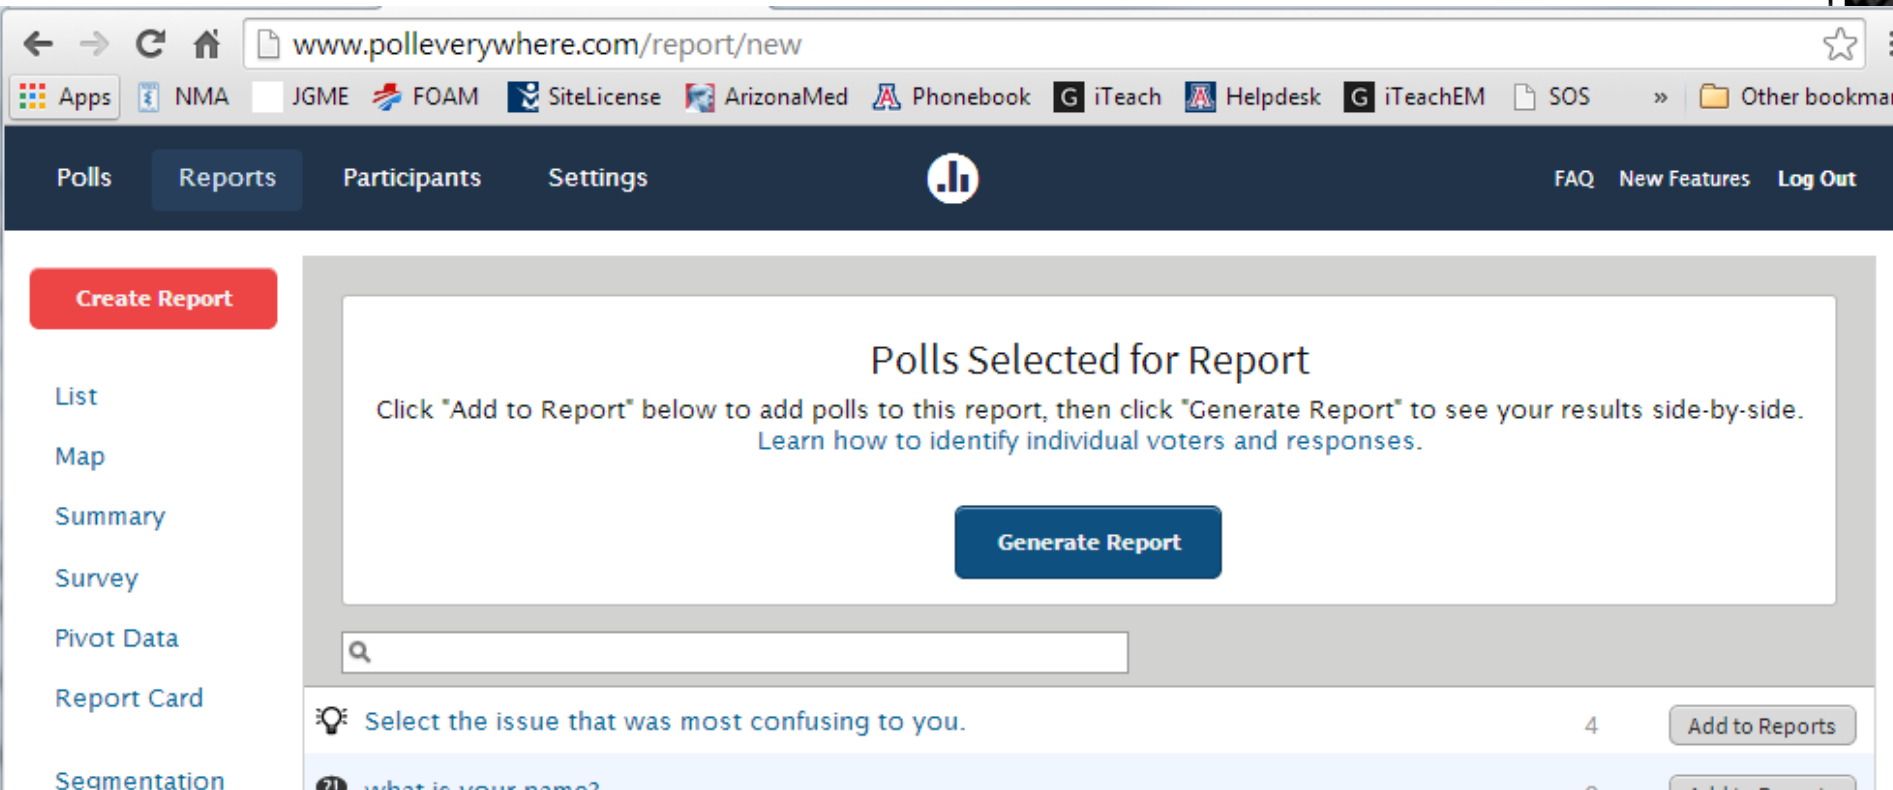

I would participate in the SOS Series next year if it's offered!

- Your group of polls will now appear as one survey.
- Copy the address in the address bar of your browser.
- Distribute this to the students by **email** (if before or after session) **OR display it on the screen.**
- **Capitalization does not matter.**
- Students will take the survey all at once and click SUBMIT.
- You will still be able to display results item by item.
- **NOTE:** For your own review of the data, you can download SURVEY results all at once. Next page.

- To see results of SURVEY all in one file:
 - Go to MY POLLS
 - Click on REPORTS (navy blue button at top of menu)

I would recommend that others participate in the SOS Series next year if it's offered!	0	Add to Reports

Generate Report

Click on ADD TO REPORTS button at right.
All the items clicked will appear at the top of the list on that same REPORT page in the gray outlined rectangle.
Click GENERATE REPORT (blue icon).

The screenshot shows a web application interface for a poll report. At the top, there are navigation tabs: Polls, Reports, Participants, and Settings. On the right, there are links for FAQ, New Features, and Log Out. A red box highlights the title "Report for 4 polls" in the main content area. Another red box highlights the "Downloads" section on the right sidebar, which contains a blue hyperlink "Spreadsheet (CSV)". Below this is an "Options" section with three checkboxes: "Show my participants", "Show time received", and "Show stats (Avg, etc.)". A dropdown menu labeled "Use results from:" is set to "The current run". A red arrow points from the "Spreadsheet (CSV)" link in the right sidebar to a larger, more detailed view of the same sidebar in the image below.

This image provides a detailed view of the sidebar options. The "Downloads" section is highlighted with a red box and contains the blue hyperlink "Spreadsheet (CSV)". Below it, the "Options" section includes three unchecked checkboxes: "Show my participants", "Show time received", and "Show stats (Avg, etc.)". At the bottom, the "Use results from:" dropdown menu is set to "The current run".

- The data – in spreadsheet like form – will appear side by side in the next window (above).
- You can click on the Spreadsheet hyperlink in the right column (see image left) to download an Excel-compatible spreadsheet with data from all 4 polls.
